January 30, 2017

Mr. Paul Sieracki
Lonza, Inc.
90 Boroline Road
Allendale, NJ 07401

Dear Mr. Sieracki:

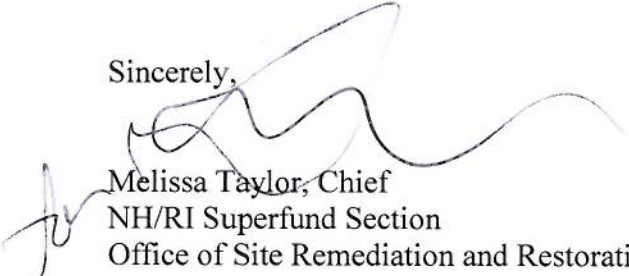

The most recent oversight bill for the Peterson/Puritan Superfund Site, Operable Unit 1, is attached (Bill # 22). This invoice, in the amount of \$45,984.11, reflects your share of costs incurred from October 1, 2015 through September 30, 2016.

According to Paragraph 54 of the Consent Decree, payment is due within 30 days of your receipt of the invoice. If you intend to dispute any of the costs, you are nonetheless required to submit payment for the undisputed costs by the due date, and to deposit any disputed amounts in an interest-bearing escrow account as required by Paragraph 55 of the Consent Decree.

EPA reserves its right to seek recovery of any unreimbursed costs paid by EPA during the time period covered by this accounting but not included in this Bill, and all other unreimbursed response costs. EPA also reserves the right to seek interest on late payments, which begins to accrue from the date of the receipt of the bill. You should contact Lori Weidner at (513) 487-2125 if you want to submit your payment via electronic wire transfer or Federal Express to ensure that it is received by the due date. If your payment is going to be late, you should contact Ms. Weidner to determine the amount of interest that will have accrued on the bill amount through the date of payment.

As part of the EPA Superfund Administrative reforms initiative, The Region continues to seek ways to improve the Superfund program. This effort includes improving communication with responsible parties, timely billing of oversight costs, and efficient management of oversight. We believe good communication and an understanding of future expectations are the keys to this effort. If you have any issues with the current bill or would like to meet with EPA to review the upcoming year's expectations, please feel free to contact Hoshaiiah Barczynski at (617) 918-1275 or barczynski.hoshaiah@epa.gov.

Sincerely,

Melissa Taylor, Chief
NH/RI Superfund Section
Office of Site Remediation and Restoration
